The format of the Immersion Week includes the study of a different country each day where the target language is the country's' first spoken language. We begin the day at with introductions, greetings and typical daily conversations. A typical art activity from the "country of the day" is presented. This is a native art project. Students also learn to prepare and cook typical snack foods that we eat after morning recess. Games, songs, puzzles, paper artwork, worksheets and flags also are a part of the day's activities.

On Friday, parents join us for a museum showing of all activities of the week.

*Cheryl Berman, a NH certified language teacher, will present the two weeks of programs. This is not a school-sponsored program.  
Enrollment limited to 14 students per week*
